Here's an Idea!

Don't fancy some of the activities in your 24-Day calendar? Swap some of them out for these!

A vegetarian twist.

Did you know that capybaras are herbivores? Make or try a vegetarian alternative to classic Christmas treats such as pigs in blankets or sausage rolls. How do they compare to the originals?

Time to get buzz-y.

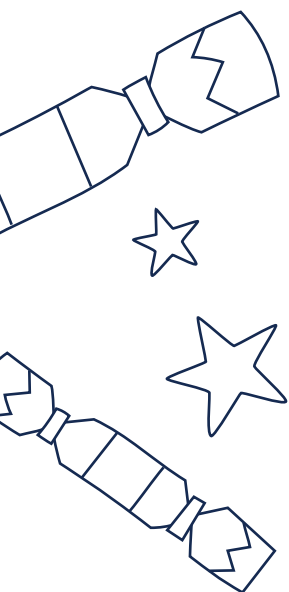

Create a bee themed decoration to hang on your tree. You could collage, crochet, or even wrap a pine cone with yellow yarn.

Why not create some honeycomb wrapping paper too and count both towards your Bee Challenge?

Look outside.

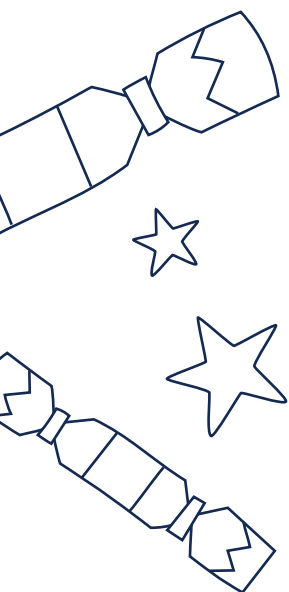

Go for a winter walk and look out for seasonal plants such as holly, ivy, mistletoe or a poinsettia.

Can you spot them in the wild, in people's gardens, windows or maybe even in festive wreaths on front doors? Bonus points if you spot a Collie dog too!
