

# Aquarium Actions

Roll the dice and complete the ex-shell-ent aquarium action. Take it in turns to call out the action and act out the marine-themed movements.

## To Make Your Dice:

1. Print out the template.
2. Cut around the edges of the dice.
3. Fold along the lines where the colours meet (folding to the back).
4. Glue the tabs to the back of their matching colour square.

Flap like a fish

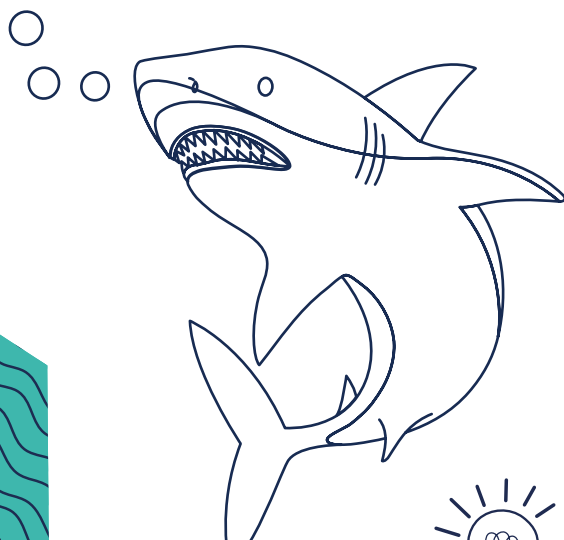

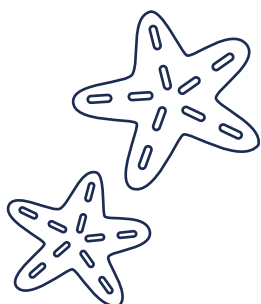

Swim like a shark

Jiggle like a jellyfish

Click like a crab

Star jump like a starfish

Write your own aquarium action on the blank lines! You could soar like a sting ray, or hide like a hermit crab.

## Here's an Idea!

Why not play the game like 'Simon Says', only completing the action when your friend or family member shouts 'Sea Turtle Says'.
