

Butterfly Memo Pegs

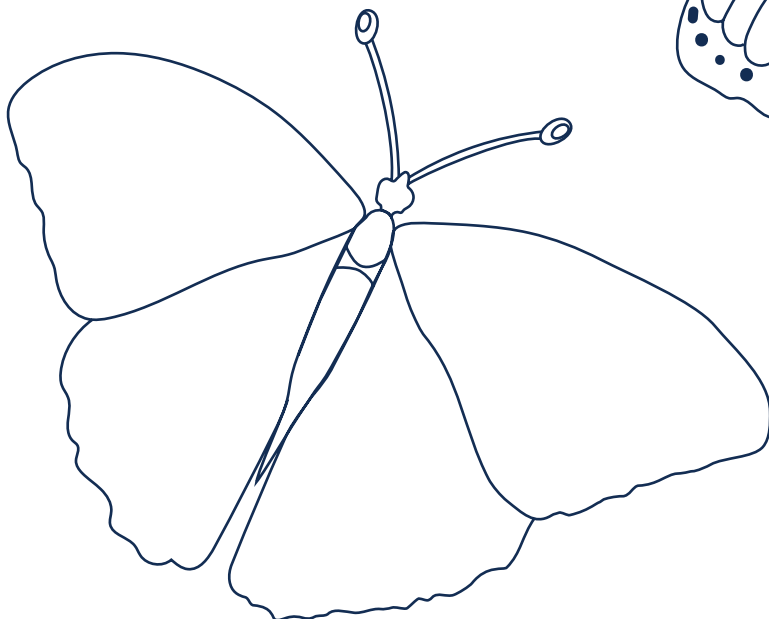

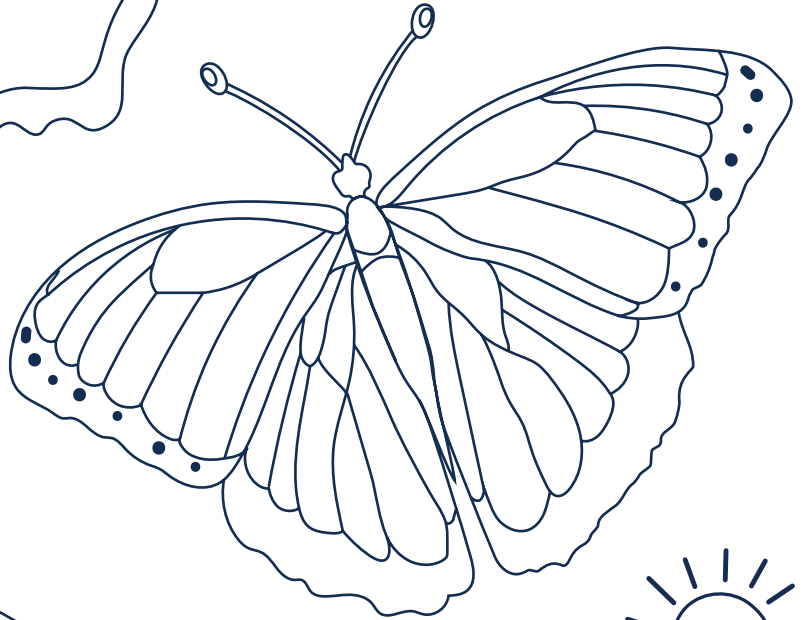

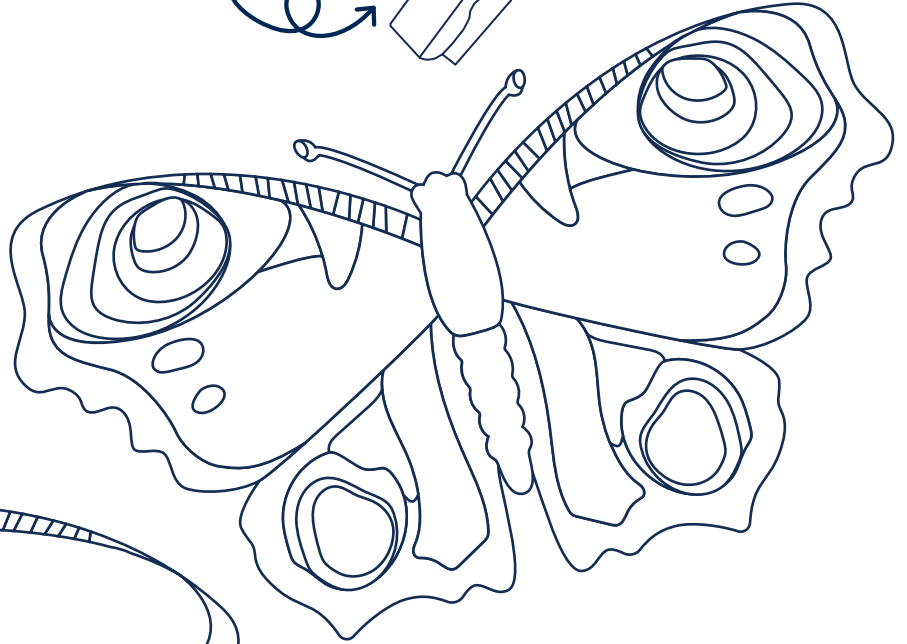

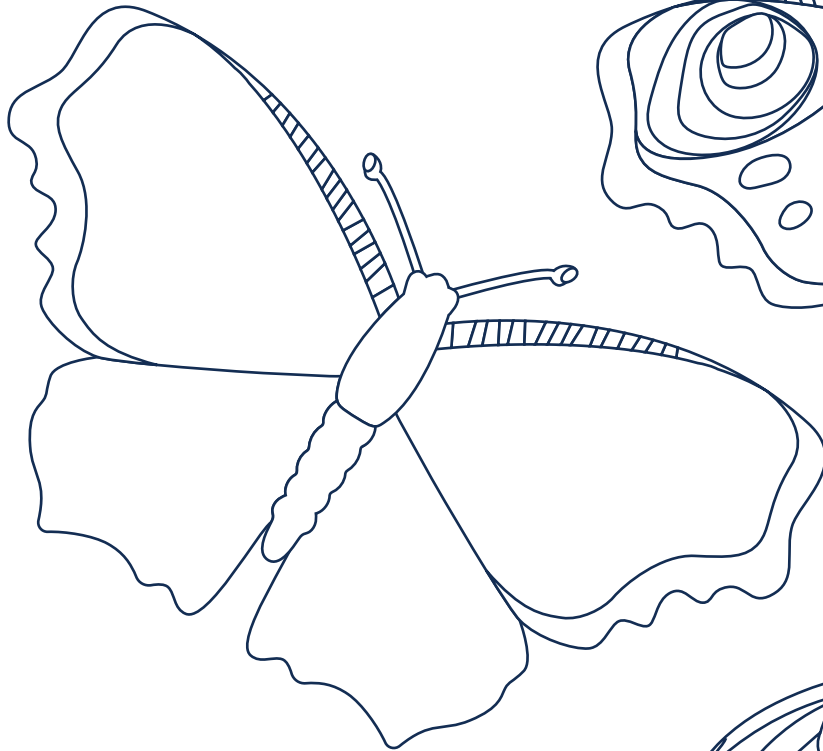

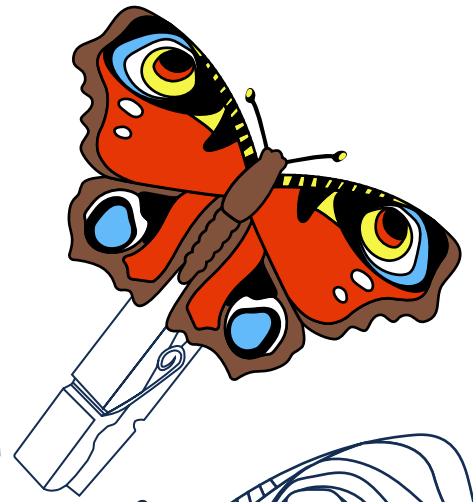

Cut out and decorate the butterflies below, then glue to the front of a wooden clothes peg to create a colourful butterfly memo peg.

What You Need:

- Glue
- Scissors
- Wooden pegs
- Colouring pencils/pens
- Magnetic strips (optional)

Your memo peg could look like this!

Here's an idea!

Why not attach a magnetic strip to the back of your peg and use as a fridge magnet to hold important memos.
