Carousel 24-Day Calendar Sewing Guide

This resource will help you piece together your Badgevent Calendar badges before sewing.

1. Print both pages of this guide at 100%
2. Fold along the dashed line on page 2 with the non-printed sides together.
3. Position your fold along the dashed line on this page, making sure to align the edges.
4. Secure in position with some sticky tape or glue.
5. Cut down to size and use to position your badges before sewing/glueing.
