

# Countryside Code Signs and Symbols

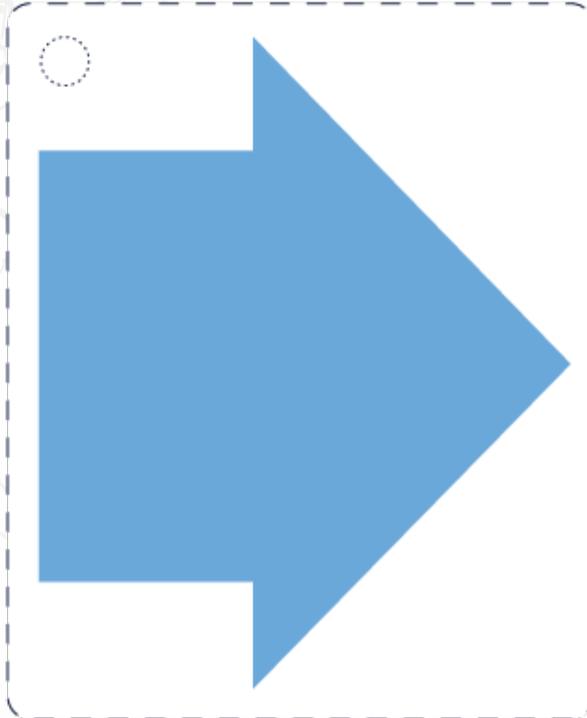

Cut out each symbol card and play a memory game with the cards or attach them to your backpack to remind yourself of the Countryside Code whilst out and about. Why not write what each one means on the back of each card?

Leave gates  
as you find  
them

check out the  
Countryside Code!

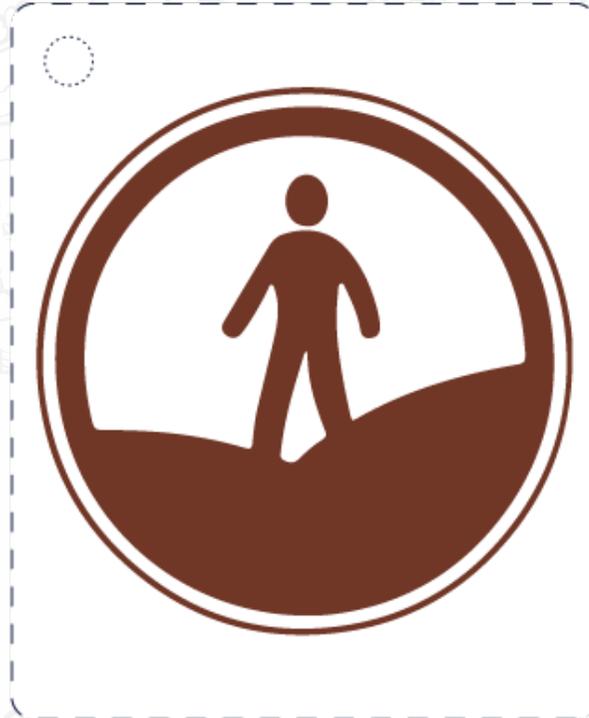

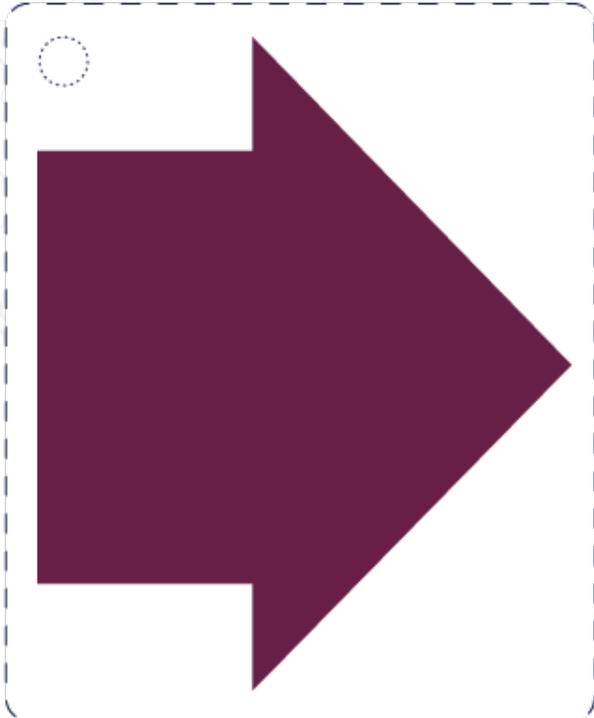

## Here's an Idea!

Hole punch your cards where the dotted circle is and clip them together on a hook (that you can attach to your backpack) so that you always have them to hand on your adventures!

# Countryside Code Signs and Symbols - Page 2

Print this page out too for the rest of the Countryside Code Signs and Symbols! Always follow advice on local signs, as some landowners voluntarily provide access to permissive paths and choose who can use them.

Laminate your cards to protect them from wet and windy weather!

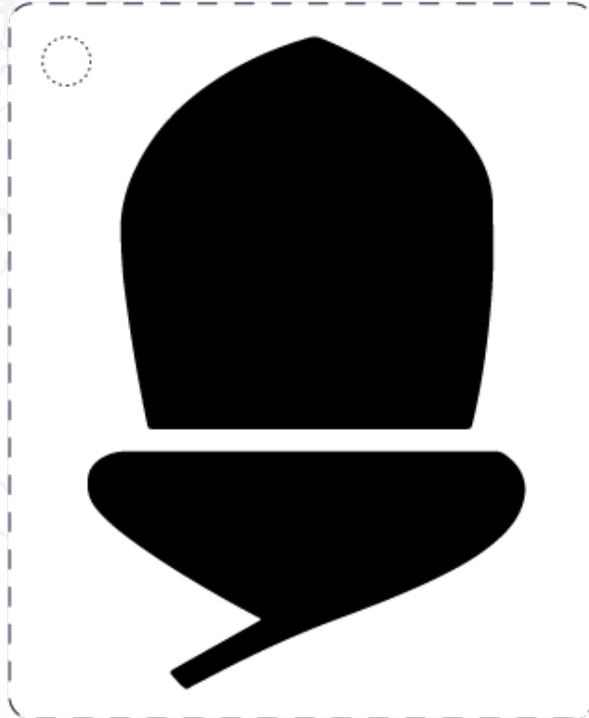

**RESPECT**

**PROTECT**

**ENJOY**

Can't remember what each arrow means? Print and cut out the statements below. Match them up to each symbol card (check your answers using the QR code on the right) then stick them onto the back of your cards!

## Restricted Byway

## Bridleway

Scan here to view the Countryside Code and check your answers!

## Byway open to all traffic

## Footpath

## Open Access

You can walk and explore away from paths.

[www.openaccess.naturalengland.org.uk](http://www.openaccess.naturalengland.org.uk)

## National Trail

National Trails are created for walking, with horse-riding and cycling possible on some trails or trail sections.
