Meet the FAMILY

Hi there! We're Charlotte & Jamie, the husband and wife team behind the Pawprint Family and we believe in #AdventureForAll.

It's our mission to help leaders, teachers and parents save time by providing ideas and opportunities to help them deliver everyday adventure and skills for life. We do this through our family of brands; find out more below and head to the website for your next adventure!

PAWPRINT BADGES

Pawprint Badges provides thousands of free activity ideas and resources to help leaders, teachers and parents deliver fun and adventure.

Every activity helps you share skills for life and is linked to one of our pawesome embroidered badges. Build your collection and celebrate adventures, new skills and knowledge gained.

PAWPRINT TRAILS

Pawprint Trails are treasure-hunt style walks around locations in the UK. Solve puzzles, track down the answers and explore everything our great country has to offer.

From historical sights to popular culture discover something new or rediscover a love for where you live then collect the badge to remember your adventures!

Whether you're looking for the perfect addition to your next family holiday or a few hours of fun with friends; each trail can be completed in a few hours or extended with our activity suggestions in to a weekend or a week's worth of fun!

PAWPRINT TALES

Pawprint Tales are fully illustrated stories that can be enjoyed by the whole family. Join Alfie (our fox-red Labrador) on his adventures around the UK – solving puzzles, turning detective and making new friends. With twists and turns, every tale is an opportunity to discover new places, people and history without needing to leave the comfort of your own home.

Enjoy Pawprint Tales alongside your Pawprint Trails or as a standalone adventure!

PAWPRINT TRUST

Every brand in the Pawprint Family supports the Pawprint Trust with a percentage of profits from every sale providing grants to young people. We're passionate about enabling young people to access life changing adventures.

Craft

**PAWPRINT
BADGES**

-  Customise a jumper or accessory of your choice with a patch or pin.
-  Use papier-mâché to make a pen pot.
-  Make a friendship bracelet for somebody you care about.
-  Create a mosaic using coloured paper, buttons, or beads.
-  Explore some different printing techniques, such as mono printing or screen printing, and experiment with creating your own designs.
-  Craft a bunch of flowers out of coloured paper.
-  Paint a picture of your favourite memory.
-  Crochet a mini pillow or cushion for your dolls or teddies.

Food

-  Create an edible sculpture using spaghetti and marshmallows.
-  Make your own stamps by cutting potatoes into different shapes. Dip them into paint and press onto paper or card to make all sorts of patterns. You could even use your designs to make wrapping paper or greetings cards.
-  Imagine there was a new café or restaurant opening up in your local area. Design a poster to advertise it to the community.
-  Shape your favourite foods out of clay or play-dough.
-  Mix milk with different food colourings to create your own edible paint. Use a clean paintbrush to decorate slices of bread, then toast them to reveal your rainbow coloured masterpieces. Fun to make and delicious to eat!
-  Decorate or make your own apron for cooking or baking.

Games

**PAWPRINT
BADGES**

-  Design your own puzzle. Draw a picture on an A4 piece of paper. Cut it up, shuffle the pieces, and challenge yourself to put it back together again.
-  Draw using only your 'wrong' hand. You can do this blindfolded too if you want more of a challenge with someone else acting as your eyes.
-  Challenge a friend or family member to see who can cover a large piece of card with the most stamps in 30 seconds.
-  Make a cardboard box maze for a marble. Try it out by holding each side of the box and tilting it to move the marble from one side to the other. Who can get their marble to the other side the fastest?
-  Decorate a paper plate and attach it to a craft stick to make your own tennis racket. Using a balloon as a ball, see how long you can keep it in the air or bat it back and forth with a partner.

Other

-  Visit a museum, gallery, or local exhibition.
-  Attend a pottery class.
-  Watch an episode of Bob Ross' *The Joy of Painting* and try painting at the same time on your own canvas.
-  Research crafts from different countries.
-  Act out a story using puppets you have made yourself.
-  Take a walk in nature and gather leaves, flowers, and other treasures to create your own natural collage.
-  Listen to a variety of songs and create art based on how each song makes you feel.
