

# Creatures and their Features

Create your own insect by mixing and matching legs, heads and other body parts from various creatures. You can even draw your own in the blank spaces on page 8 or colour in the pre-drawn bugs on pages 4 - 7. For an extra challenge, why not try to identify the creatures on each page too?

Cut around  
each rectangle  
for easy mix  
and matching!

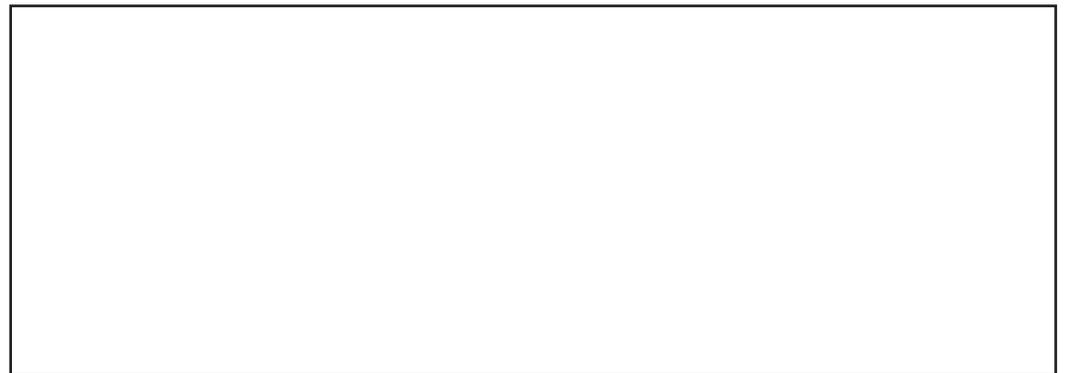

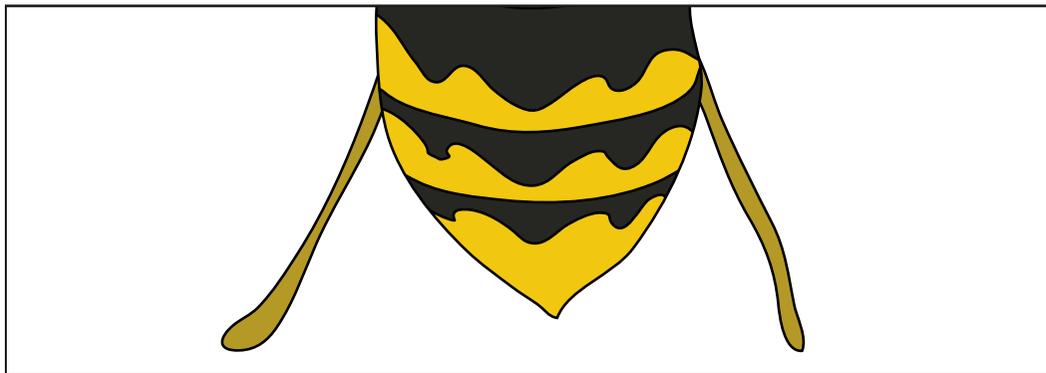

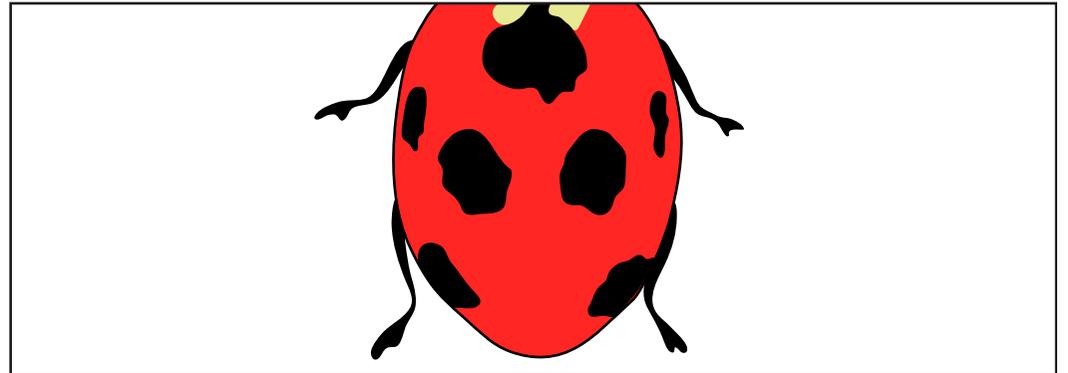

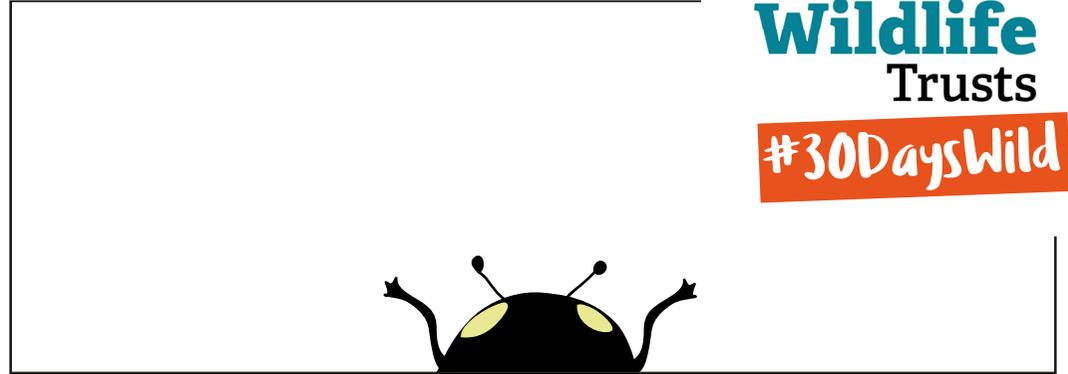

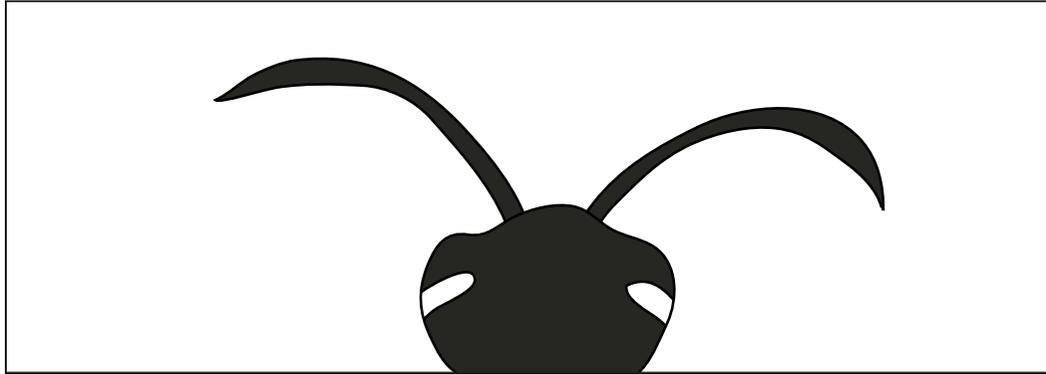

# Creatures and their Features - Page 2
