

Design a Shield

You'll have a shield day with this one! Use the blank space below to design your own Norman shield or use one of the pre-drawn templates on pages 2 - 5.

Label your shield with materials you would need to make a 3D shield, like cardboard and foil!

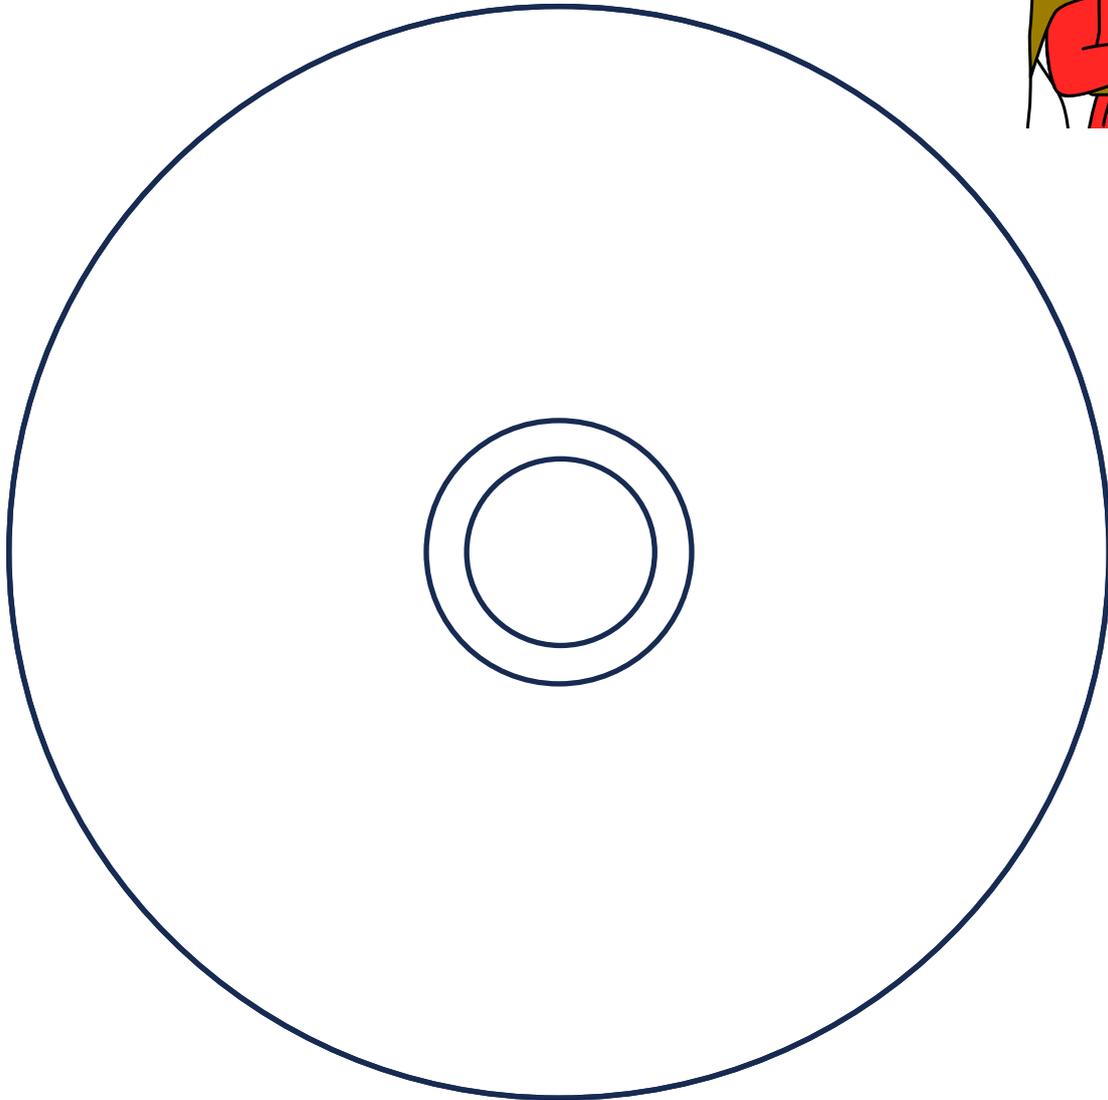

Materials & tools I will need to make a 3D model of my shield:

Design a Shield - Page 2

Print this page for a pre-drawn shield template - all you have to do is add a design and decorate your shield with craft materials of your choice!

Take a look at classic Norman shield designs online to make your shield super realistic!

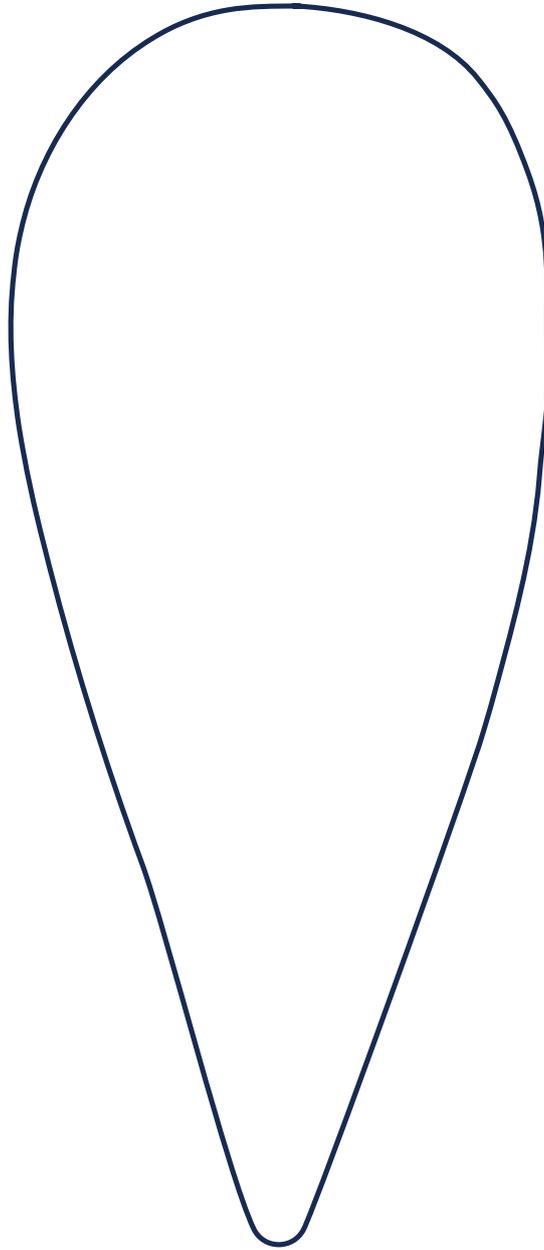

Materials & tools I will need to make a 3D model of my shield:

Design a Shield - Page 3

Print this page for a pre-drawn shield template - all you have to do is add a design and decorate your shield with craft materials of your choice!

Take a look at classic Norman shield designs online to make your shield super realistic!

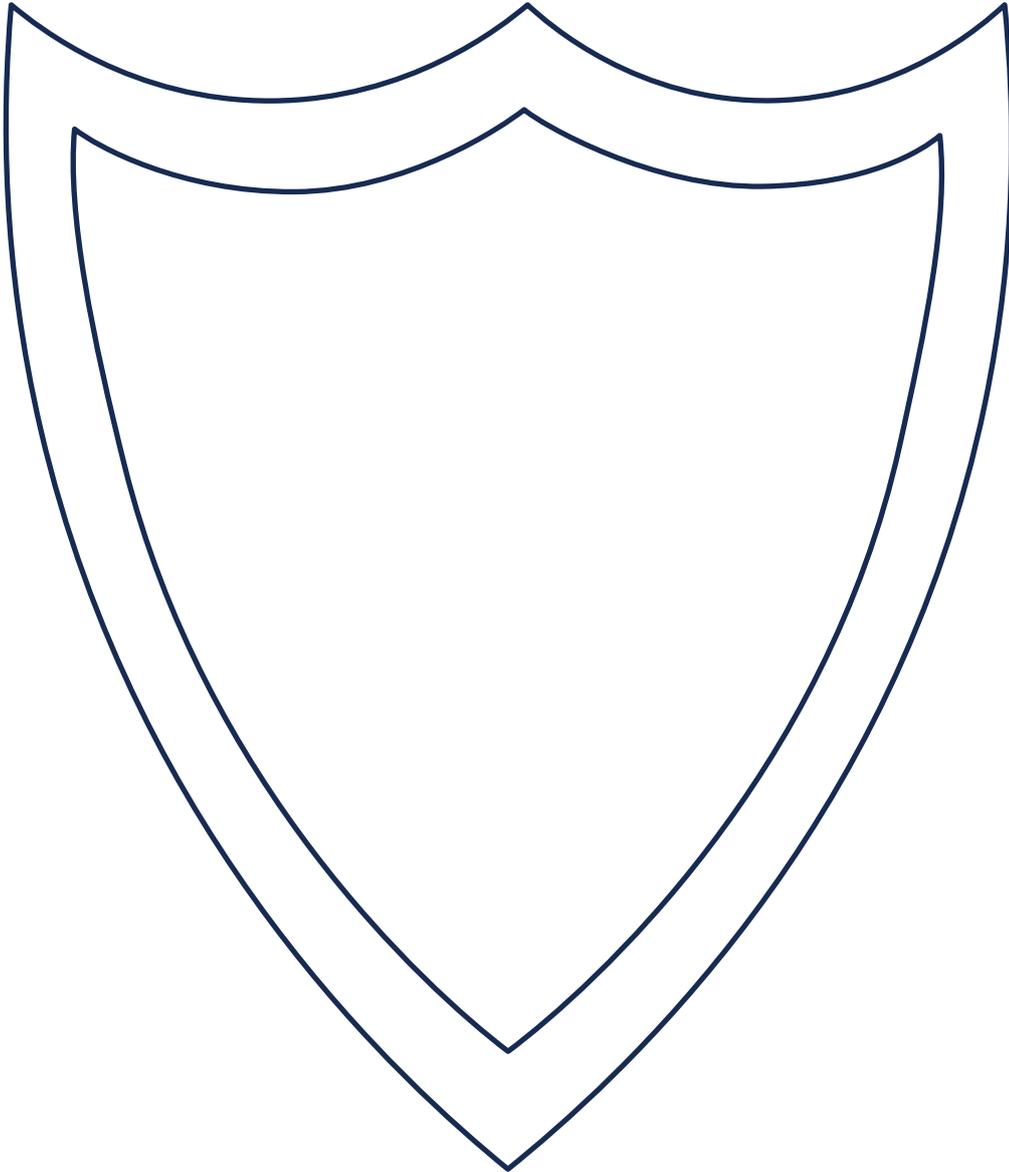

Materials & tools I will need to make a 3D model of my shield:

Design a Shield - Page 4

Print this page for a pre-drawn shield template - all you have to do is add a design and decorate your shield with craft materials of your choice!

Take a look at classic Norman shield designs online to make your shield super realistic!
