Design your own Carousel Horse

From sashes, bows and ribbons to decorative painting and floral arrangements, carousel horses are always very decorative. Get creative and decorate your own carousel horse below. Will you choose spots, swirls, snowflakes or maybe even candy cane stripes...?

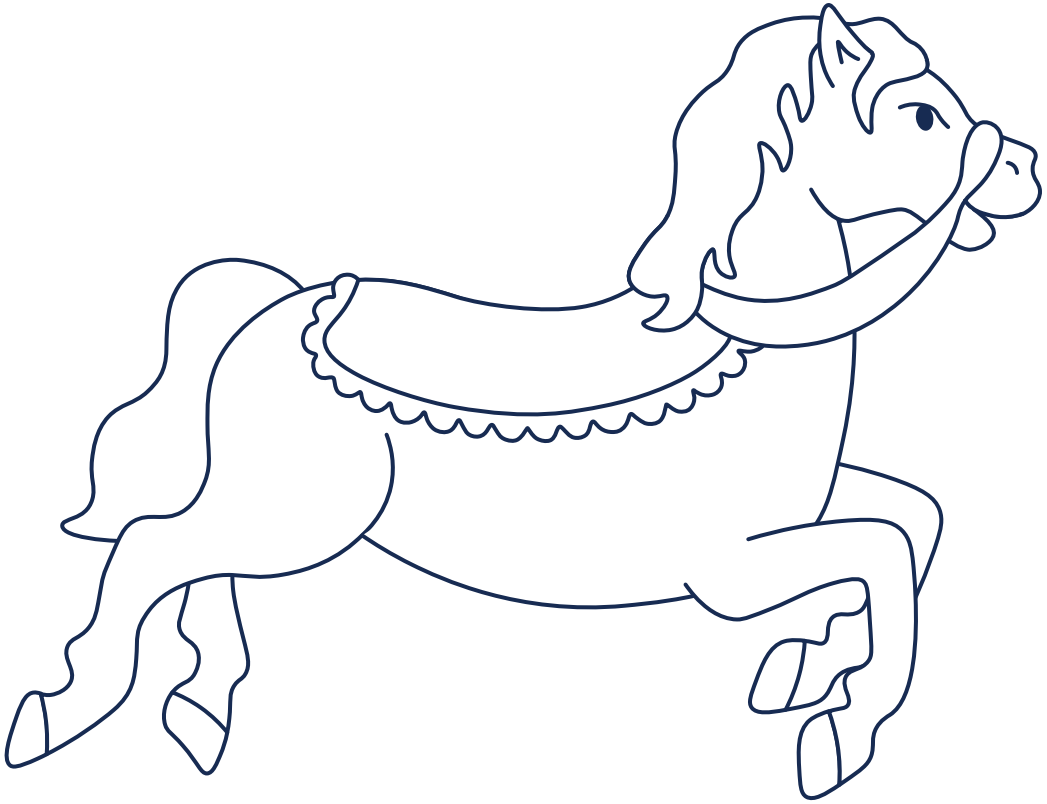

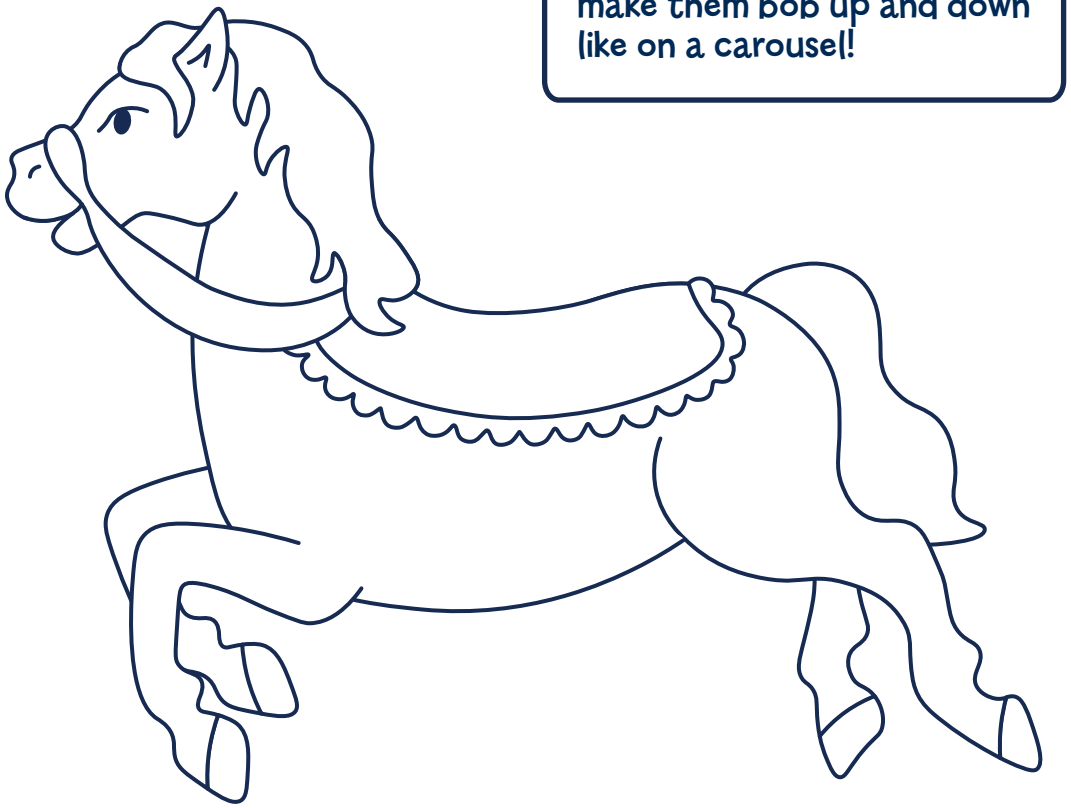

Did you know?
You can find lots of different animals on a carousel, but horses have always been most common. The side that faces the audience is known as the 'romance side' and it has extra decorations.

Here's an Idea!
For an extra challenge, why not cut out your horses and stick them to straws or lolly pop sticks? Then you could make them bob up and down like on a carousel!
