

Design Your Own Sweet - Page 1

What kind of sweet would you like to see on the shelves? Use this design sheet to get creative and think up a name, taste, design and colour for your sweet. Use Page 2 to design your sweet packaging too!

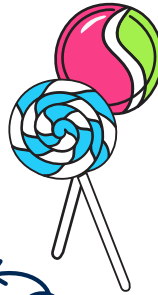

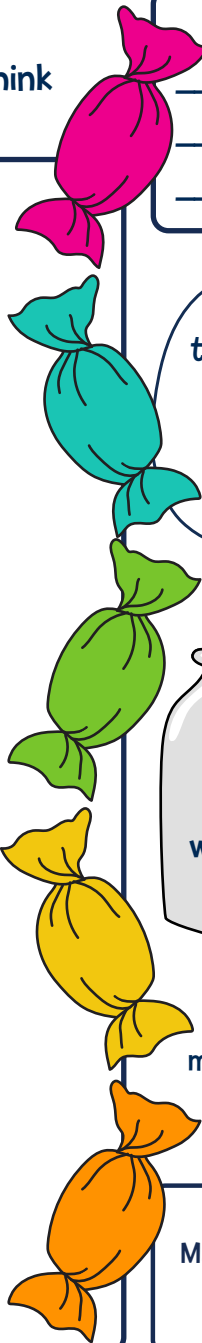

My sweet is called:

Words to describe the texture of my sweet:

Label each section of your sweet with different flavours.

You could design a vanilla bon bon with mint spots, or a blueberry gum drop with a gooey cinnamon centre!

Here's a sweet idea...
Make your sweet into a large 3D sculpture using junk model materials.

Design Your Own Sweet - Page 2

Use this sheet to design the packaging for your sweet. Think about the size of your sweet, how much you would sell them for and which shops you'd sell them in. What makes your sweet too tempting to resist?!

Remember!
You need to make your packaging eye catching so that it stands out on the shelves!
