

EASTER EGG HUNT

Easter is going to feel a little different this year so while we're still apart let's make sure it still feels fun! Let's create a community Easter Egg Hunt!

Colour in and decorate your Easter Eggs and get all your neighbours to do the same.

Display them in your windows and create an Easter Egg Hunt around your local area for everyone to enjoy.

While you're out and about on your Easter Egg Hunt tag us in your adventures and share your photos with us on social media.

Find us @PawprintFamily on Facebook and Twitter and @Pawprint_Family on Instagram using #AdventureForAll.
