

Gingerbread Guess Who? - Page 1

Draw different gingerbread characters on the blank coloured templates (page 6) or use the pre-made gingerbread character cards (Pages 2 - 5) to create your game.

How do I play?

1. Print out the pre-made or coloured card templates.
2. If you're making your own cards, draw your gingerbread people in the blank image box with different features (e.g. a hat, a scarf, a beard, etc.)
3. Create and cut out multiple gingerbread cards. We recommend having at least 15 to choose from.
4. Place all of your gingerbread characters on the floor in rows to create a giant game board.
5. Take it in turns to choose a gingerbread character from the board and keep them in your head (don't tell anyone who you've picked!)
6. The other players have to then ask 'yes' or 'no' questions to whittle it down to just a few characters.
7. Whoever guesses the gingerbread person correctly first, wins! Guess incorrectly and you're out.

...or use 'Blake', the pre-made gingerbread character card, and the character cards on the following pages to create your game board!
