

Norman Shield Snap

Print and cut out the snap cards and colour in the shields - when colouring, make sure each shield has an identical matching pair. Print page 4 to draw your own shields on blank cards.

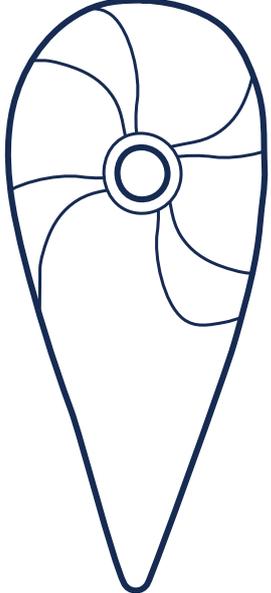

Make sure you colour the matching pairs in the same colours.

Norman Shield Snap - Page 2

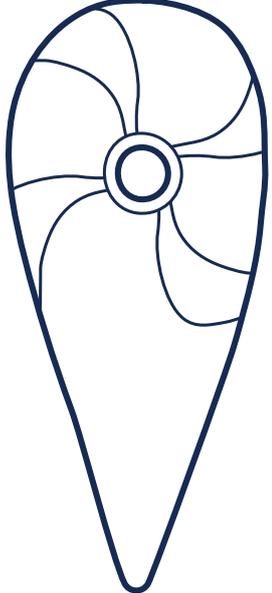

Print and cut out the snap cards and colour in the shields - when colouring, make sure each shield has an identical matching pair. Print page 4 to draw your own shields on blank cards.
