Meet the FAMILY

Hi there! We're Charlotte & Jamie, the husband and wife team behind the Pawprint Family and we believe in #AdventureForAll.

It's our mission to help leaders, teachers and parents save time by providing ideas and opportunities to help them deliver everyday adventure and skills for life. We do this through our family of brands; find out more below and head to the website for your next adventure!

PAWPRINT BADGES

Pawprint Badges provides thousands of free activity ideas and resources to help leaders, teachers and parents deliver fun and adventure.

Every activity helps you share skills for life and is linked to one of our pawesome embroidered badges. Build your collection and celebrate adventures, new skills and knowledge gained.

PAWPRINT TRAILS

Pawprint Trails are treasure-hunt style walks around locations in the UK. Solve puzzles, track down the answers and explore everything our great country has to offer.

From historical sights to popular culture discover something new or rediscover a love for where you live then collect the badge to remember your adventures!

Whether you're looking for the perfect addition to your next family holiday or a few hours of fun with friends; each trail can be completed in a few hours or extended with our activity suggestions in to a weekend or a week's worth of fun!

PAWPRINT TALES

Pawprint Tales are fully illustrated stories that can be enjoyed by the whole family. Join Alfie (our fox-red Labrador) on his adventures around the UK – solving puzzles, turning detective and making new friends. With twists and turns, every tale is an opportunity to discover new places, people and history without needing to leave the comfort of your own home.

Enjoy Pawprint Tales alongside your Pawprint Trails or as a standalone adventure!

PAWPRINT TRUST

Every brand in the Pawprint Family supports the Pawprint Trust with a percentage of profits from every sale providing grants to young people. We're passionate about enabling young people to access life changing adventures.

Craft

**PAWPRINT
BADGES**

- ✿ Make a decorated egg.
- ✿ Paint eggs or make marbled eggs for an Easter tree.
- ✿ Decorate eggs using bicarbonate of soda and make fizzy eggs in your very own egg-speriment!

What?

Use hard boiled eggs/blown eggs. Mix your dye mix using 1/3 cup of bicarb, a tablespoon of water and 3 drops of food colouring. Mix until you have a paste. Create as many colours of paste as you would like. Cover your eggs in your dye mix and place each one in a muffin tray. Pour over vinegar and watch the fizz! Wash with water and tadaaaaa!

- ✿ Design your own Easter egg from chocolate to filling and decoration.
- ✿ Use shaving foam to make marbled Easter eggs.

Food

- ✿ Make an omelette.

Did you know?

The fastest omelette maker, Howard Helmer from Chicago, made 427 omelettes in 30 minutes! How fast can you make an omelette? This record was set in Atlanta in 1990.

- ✿ Eggs contain vitamins A, B12 and selenium. Find out some other foods that contain these vitamins. Why not make a dish with them.
- ✿ Make a cress head in an old egg shell.
- ✿ Find a selection of recipes that use eggs and have a go at making them. Why not host a Ready, Steady, Cook! competition and compare the recipes?
- ✿ Our favourite egg recipe has to be eggy bread! Have a go at making your own eggy bread (French Toast) and try with a range of toppings.

Games

PAWPRINT
BADGES

- 🐾 Race to see how fast you can make an omelette. Have a competition with friends.
- 🐾 Play a game of spin the egg.

How?

Secret fact: a boiled egg will spin whilst a raw egg will wobble. Boil some eggs and mix them with some raw eggs then have your young people take it in turns to spin an egg and guess whether it is boiled or not!

- 🐾 Test your memory with Kim's Game...eggs help improve your memory!
- 🐾 Have an egg throwing competition, see the Easter Challenge for details.
- 🐾 Name as many egg dishes as you can. Can you complete an alphabet of egg dishes from around the world?

Other

- 🐾 Visit a farm to see chickens and chicks and find out where eggs come from.
- 🐾 Adopt or send a chicken. You can send a chicken to a family in rural Africa for as little as £8 via sendacow.org. A worthwhile Easter present we feel and a lot more wholesome than a chocolate egg.
- 🐾 Read *Horton Hatches the Egg* or *Green Eggs and Ham* by Dr. Seuss.
- 🐾 Take a look at different eggs and compare them, they may all look different on the outside but they all look the same on the inside. Draw comparisons with other things that are like this and look at equality.
- 🐾 Investigate egg replacements in cooking and/or vegan alternatives.
- 🐾 See how many egg-cellent puns you can come up with. We love a cracking pun here at Pawprint HQ and egg related ones are particularly egg-cellent!
