

Peace Pledge Dove

What will you do to help achieve peace in the world? Make a pledge (promise) and write it in the dove outline below. Maybe you could make a display in your local community and get others to make a commitment to achieve peace too.

To Make Your Peace Dove:

1. Print the template on to thin card.
2. Write your peace pledge on the body of the dove.
3. Cut out both parts.
4. Fold along the dotted line on the wings.
5. Cut carefully along the dotted line on the body.
6. Pass the wings through the slot in the body, bending gently to pass the widest point.
