### To Make Your Cards:

- Turning only 2 cards over at any time, find the pairs. If you are incorrect turn them back over.

### Option 2:

- Lay all the cards face down at one end of the room.
- Sit in teams at the other end of the room. In a relay, take turns to run to the cards and turn over 2 cards.
- If you find a pair leave the cards face up, if you are incorrect turn them over.
