

Proud Golden Star

“Congratulations, Zog, my dear; you’ve won a golden star!”
Zog was proud and happy when he won his golden star. What, or who, are you proud of? Write everything you’re proud of inside the star below.

Why not...

Display your golden star on your wall to remind you of the things you’re most proud of?

Here’s an idea!

Print the Proud Golden Star to give to a friend or loved one. Fill it with all of the things you are proud of them for to brighten their day!

Cut me out to decorate before writing on.
