

Roll a Sundae

Build your sundae, by adding ingredients to your glass in the order in which you roll them.

Got a sundae with no ice cream? That's the luck of the dice!

What You Need:

- Glue
- Scissors
- A sundae glass/any type of glass that can fit ice cream in!
- Ice cream
- Toppings of your choice
- Sauce(s)
- Spoons to dig into your finished sundae

To Make Your Dice:

1. Print out the template.
2. Cut along the dashed lines to cut out your dice.
3. Fold along the lines where the colours meet (folding to the back).
4. Glue the tabs to the back of their matching colour square.

To Play:

1. Agree how many turns each player will take (we'd recommend 5 turns each).
2. The player everyone agrees eats the most ice cream starts!
3. Take it in turns to roll the dice and complete the action displayed.
4. Complete all of your turns.
5. Enjoy your delicious sundae.

Here's an Idea!

Why not design your own sundae dice with actions of your choice using our blank dice template from the website.
