

Planet Twister

You will need:

1. 6 print outs of each planet (e.g. 6 red, 6 blue, 6 yellow, 6 green)
2. Cellotape to stick the sheets together on the floor
3. Scissors, card and a split pin to make your spinner (See page 5)

How to play:

1. Tape all of the planet sheets together on the floor to make a big Twister-style board.
2. Use the spinner to decide what the first player does (e.g. left hand on red planet).
3. Players continue to put the correct hand or foot on the planet called without falling or letting any knees or elbows touch the floor.

Planet Twister Game - Spinner

To make your spinner:

1. Stick this page onto card.
2. Cut out the circle, below, and arrow, right.
3. Push a split pin through the white circle in the centre of the arrow (rocket) and through the centre point of the circle and open up on the back of the circle to create your spinner.
4. Spin the arrow to see where each player should place their hand or foot next. Who will be the last one standing?
