

The English Map Quest - Page 1

Take part in some of your own research about England. Use the map below to mark each location with the correct coloured dot. Feel free to decorate your map by adding drawings and any additional information you find!

Red: Where the Eden Project is located
Orange: The tallest peak in England
Yellow: England's second largest city
Green: The capital city of England
Blue: Known for the Beatles
Purple: Birthplace of Shakespeare
Pink: Home to the Angel of the North
Brown: Where Stonehenge is located
Black: The longest beach in the UK

The English Map Quest - Page 2
