

Usage & Access

The Gruffalo Challenge takes a slightly different format to others from Pawprint Family.

There's still the same amazing number of activity ideas, just available to download in a slightly different way. Each page in the challenge pack can be accessed by clicking the coloured tabs on the left hand side (which will open in the same tab in your browser) or you can access the main activity pages (Craft, Food, Games and Other) by clicking the buttons below.
