

# The Scarecrows' Wedding Scavenger Hunt

Harry and Betty are getting ready for their big wedding and they need your help! Look around and try to find all the items on the list. Once you've found everything, take a photo or write down where you discovered each item.

Something that could  
be a wedding ring

Something shaped  
like a shell

Something that  
could be a flower

Something that  
makes a bell sound

Something that  
is heart shaped

Something that  
is white and feathery

Something you  
would take to a party

Something that you  
could wear as a hat

Something you can  
carry water in

Time yourself to see how long you can complete this scavenger hunt and write your time below:
