

# Make yourself some campfire 'Rocket Dogs'

## For leaders

These super cool hot dogs are fantastic fuel for any budding astronaut. Spiral wrap bread dough around a sausage on a skewer and cook gently over the fire until the sausage and bread is cooked (you may want to pre-cook your sausages first if your fire is very hot so as not to burn your bread!). When it's all cooked add a triangle of cheese on the top for the nose of your rocket and enjoy!
