

# Test your aim and throw balls into 'pitcher plants'

## Why?

Pitcher plants are one of the lucky flowers of people born in the year of the Pig. Pitcher plants have a cavity (space) for insects to fall in to and they are carnivorous plants, which means they eat insects.

**Age 14 - 18**

**Age 3 - 5**

**Age 5 - 7**

**Age 7 - 11**
