

# Play the Christmas card game

## For leaders

Collect the fronts off old Christmas cards and cut each one up into several pieces - you need one card per team. Divide into teams and give each team one piece of one design, place the rest of the designs face down, jumbled up in the centre of the room. As a race, see which team can complete their 'jigsaw' first. Each person can only collect/return one piece of puzzle at a time. For Rainbows and younger Brownies leave the designs facing upwards.
