

Make a panda key ring or magnet

For leaders

There are lots of ways you could create a keyring or a magnet and they needn't be expensive. You can buy rolls of magnetic tape fairly cheaply online or from your local craft store. Magnets can be built up using craft foam or for older groups you could try your hand at stitching a panda face from felt or fabric. You could even recycle old keyrings to save a few pennies (this is an easy collect from home activity).
