

# Make a cress head hedgehog

## For leaders

Using two small plant pots or a plastic cups for the body, shape air-dry clay to form the shape of the head, feet and body holding the two cups together. Paint on some eyes or use beads pressed into the clay. In your plant pots/cups place soil or cotton wool and sew some cress seeds... water and watch as your hedgehog comes to life.

**Age 14 - 18**

**Age 5 - 7**

**Age 7 - 11**
