

The Olympic Games are a world stage for sport - hold your own mini Olympics.

Here's an idea

You could hold running races, have a go at the long jump or the high jump, why not see if you could visit an athletics club and have a go at the hammer throw or javelin! Alternatively, have a go at horse riding, swimming, tennis or archery - there are over 30 different sport scheduled for the 2020 games so there's plenty to have a go at!
