

Make a toy to give to another.

Here's an idea

Elves are known for making toys in Santa's workshop. You could use any method or skills you like to produce your toy. Maybe you want to test out your wood working skills to make a toy car, or perhaps you enjoy textiles and you'd like to stitch a toy? You could go as simple as a sock puppet or as complicated as you like but whatever you do, learn something new and make something that someone else can be proud of!
