

# Make sushi pandas

## For leaders

When making sushi, chefs use sticky rice. You can shape the rice into different forms - even pandas! Use white rice to form the main body of your panda and use nori seaweed strips to create the patches. If you're unsure about rice and seaweed, why not have a go at making sweet sushi instead using rice puffs coated in melted marshmallow as an alternative to your sticky rice?!

## Age 14 - 18
