

Pandas are great at climbing trees and making dens. Try getting from one side of your meeting place to the other without your feet touching the floor. Alternatively have an evening making your own dens

For leaders

You could use a variety of equipment to stop your feet from touching the floor, maybe you have bricks and planks or old plant pots to stand on. Maybe you meet in a hall that has benches around the edge or chairs that you could walk on. Remember, don't climb too high and be careful when moving furniture around.
