

Play the chocolate game

For leaders

Place a large bar of chocolate on a tray in the centre of the circle with a knife and fork. You also need wintry dressing up items like a hat, scarf, gloves/mittens. Each person rolls the dice in turn, when someone rolls a 6 they must move to the centre of the circle, put on all the fancy dress items and then begin cutting the chocolate up and eating it square by square until the next person rolls a 6 and takes over
