

Find out about the highest mountain in Scotland and climb it or produce a report/fact file based on your findings

For leaders

Climbing the highest mountain in Scotland is probably not something to try if your age isn't yet in double figures! Why not do some research and then send your leader a postcard you've made with your findings on? You could draw a picture of what it looks like on the front and put your fact file on the back!

Age 14 - 18

Age 7 - 11

Activity details
