

Use a pepper to do some shamrock printing

For leaders

Slice a full pepper in half by lying it on its side with the green top on the left and the bottom of the pepper on the right. Dip the cut edge into paint and print onto paper. The full shape of the pepper when printed should look like the outline of a shamrock. Alternatively try carving shamrocks out of potatoes and do some potato prints.

Age 14 - 18

Age 3 - 5

Age 5 - 7

Age 7 - 11
