

Play a game of 'Giants, Wizards, Elves'

For leaders

Much like the game 'Rock, Paper, Scissors'. In two teams, each must agree on their character - giant, wizard, elf. On the count of 3 both teams must turn to face each other and perform their actions: Giants - stand on tip toes, hands high in the air and make a menacing noise, Wizards - crouch slightly, waving hands out in front as though making a magic spell, Elves - crouch down with hands cupped behind their ears and make a high pitched giggling noise. Giants beat elves as they "squash" them. Elves beat wizards because they outsmart them. Wizards beat giants because they zap them with a spell. If both teams show the same character, no one wins. The winning team then run to capture as many people as possible to join their team.
