

Create a paper mache Easter basket

For leaders

This is a great activity that you can complete over a couple of weeks or you can use the express method. Using flour and water glue and a cling film lined dish, use a microwave to dry each layer of mache for 20-30 seconds on a medium setting. Keep opening the microwave to let out the steam and dry the microwave plate.

Age 14 - 18

Age 3 - 5

Age 5 - 7

Age 7 - 11
