

# Create a paper mache Easter basket

## For leaders

This is a great activity that you can complete over a couple of weeks or you can use the express method. Using flour and water glue and a cling film lined dish, use a microwave to dry each layer of mache for 20-30 seconds on a medium setting. Keep opening the microwave to let out the steam and dry the microwave plate.

**Age 14 - 18**

**Age 3 - 5**

**Age 5 - 7**

**Age 7 - 11**
