

# Attend an International Jamboree or visit a World Centre in the UK or abroad.

## Did you know

International jamborees happen each year and are large camps which are attended by Scouts and Guides from all over the world. Do some research and you might well find one taking place near you that you could participate in or even visit for the day. Once every 4 years there is the World Scout Jamboree which takes place in a different country each time. We would encourage everyone to experience international Scouting/Guiding - it's life changing!
