Play a classic game of snap with the elephants from the story! Print two copies of each page for a bumper pack.

## How to play:

1. Print each page on paper or card and cut out all of the Snap cards.
2. Put all cards into a pile.
3. Deal them out fairly between players so that everyone has the same amount of cards.
4. Hold your own pile of cards upside down so that you can't see the elephants on the front.
5. Take it in turns to take one card from your own pile and place it on a centre pile.
6. Shout 'SNAP!' when you see a matching pair.
7. Add any pairs that you match to your own upside down pile.
8. The person who collects all of the cards wins!
