

3D Card Fruit - Page 1

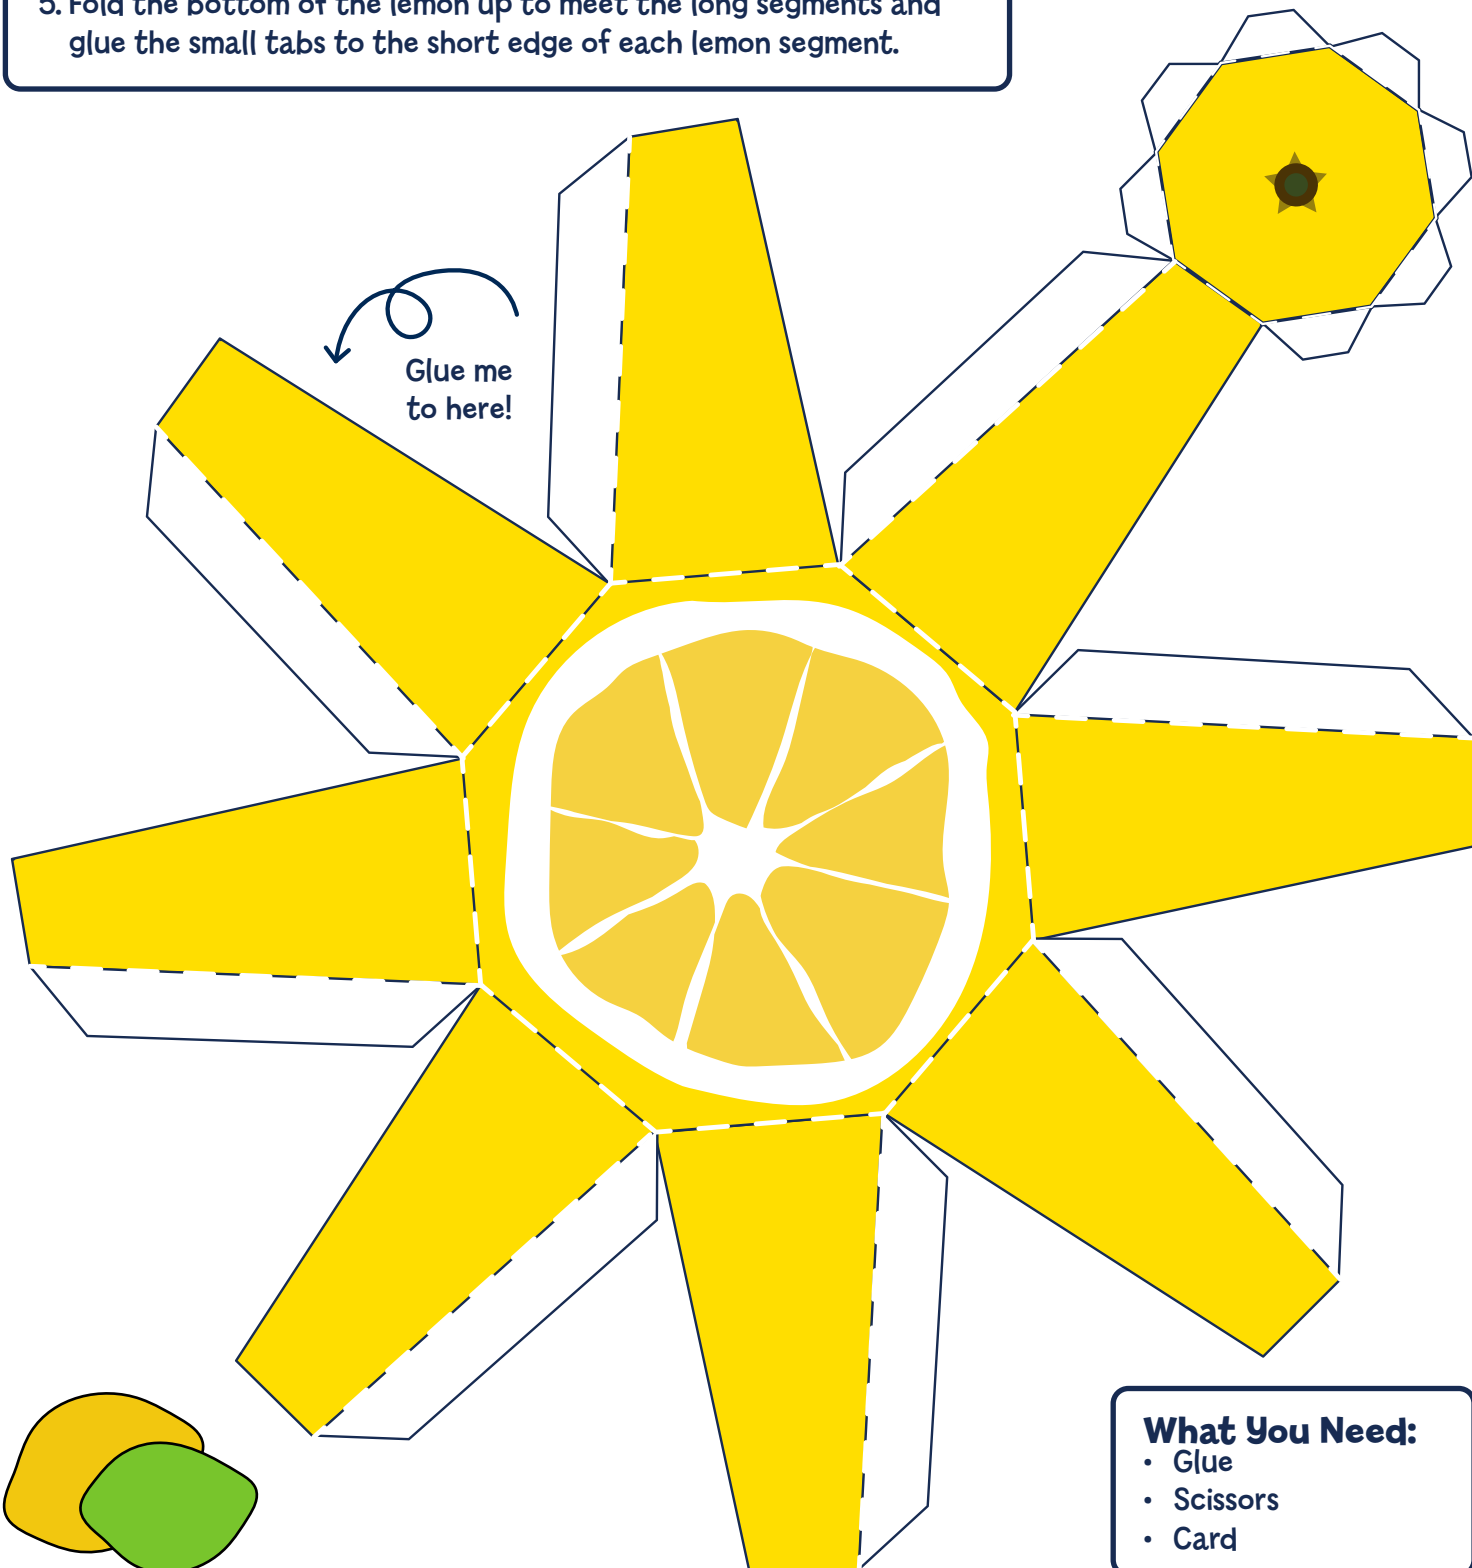

Fill up your empty fruit bowl with your very own 3D card fruit.
Please note: these 3D fruits do not count as your 5 a day...

How to make:

1. Print out this resource sheet on card.
2. Cut along the solid lines (around the outside of the lemon).
3. Fold along all of the dashed lines.
4. Glue each large white tab to the long edge of the lemon segment it is next to.
5. Fold the bottom of the lemon up to meet the long segments and glue the small tabs to the short edge of each lemon segment.

Your lemon should fold around to look like this!
