# Meet the FAMILY

Hi there! We're Charlotte & Jamie, the husband and wife team behind the Pawprint Family and we believe in #AdventureForAll.

It's our mission to help leaders, teachers and parents save time by providing ideas and opportunities to help them deliver everyday adventure and skills for life. We do this through our family of brands; find out more below and head to the website for your next adventure!

## PAWPRINT BADGES

Pawprint Badges provides thousands of free activity ideas and resources to help leaders, teachers and parents deliver fun and adventure.

Every activity helps you share skills for life and is linked to one of our pawesome embroidered badges. Build your collection and celebrate adventures, new skills and knowledge gained.

## PAWPRINT TRAILS

Pawprint Trails are treasure-hunt style walks around locations in the UK. Solve puzzles, track down the answers and explore everything our great country has to offer.

From historical sights to popular culture discover something new or rediscover a love for where you live then collect the badge to remember your adventures!

Whether you're looking for the perfect addition to your next family holiday or a few hours of fun with friends; each trail can be completed in a few hours or extended with our activity suggestions in to a weekend or a week's worth of fun!

## PAWPRINT TALES

Pawprint Tales are fully illustrated stories that can be enjoyed by the whole family. Join Alfie (our fox-red Labrador) on his adventures around the UK – solving puzzles, turning detective and making new friends. With twists and turns, every tale is an opportunity to discover new places, people and history without needing to leave the comfort of your own home.

Enjoy Pawprint Tales alongside your Pawprint Trails or as a standalone adventure!

## PAWPRINT TRUST

Every brand in the Pawprint Family supports the Pawprint Trust with a percentage of profits from every sale providing grants to young people. We're passionate about enabling young people to access life changing adventures.

# Craft

**PAWPRINT**  
**BADGES**

-  Create a fa-boo-lous cotton ball ghost picture. Check out our 'Halloween - Ghost' Pinterest board for more details.
-  Make your own cute curly ghosts to have from your ceiling. Download and print our free 'Twirly Whirly Ghosts' resource from the website to make your hanging ghoulish decorations.
-  Blow-st a ghost! Use a straw to blow a small puddle of white paint across a piece of black paper. Once your paint is completely dry, add some spookily googly eyes to your white splodge to transform your paint into a ghost!
-  Make your own Trick or Treat cones and decorate with Halloween inspired pictures and stickers. Use your creepy cone to collect your sweetie haul.
-  Make a set of rockin' ghosts. Simply paint a handful of stones or rocks with white paint and use a permanent marker to decorate with funny ghost faces.

# Food

-  Upside-down Ghost Cupcakes. Bake a batch of cupcakes with your choice of flavouring. Once they are completely cool, dip them in white icing up-side down, turn them back up the right way up and decorate with two beady black eyes.
-  Transform your leftover Trick or Treat sweets into a pick 'n' mix jar to share with family or dip into on those cold and dark Autumn evenings.
-  Stay healthy this Halloween with some banana ghost snacks. Head over to our 'Halloween - Ghost' Pinterest board for more details.
-  Use your left over Trick or Treat sweet haul to bake a boo-tifully sweet explosion cake that simply oozes with goodies.
-  Make your own marshmallow ghosts - use pre-made marshmallows and decorate with icing, or have a go at making your own marshmallow mix. They'll be dead tasty...

# Games

**PAWPRINT  
BADGES**

-  Gliding Ghou! Races! Pinch a thin piece of tissue paper in the middle to make a pointed ghost. To race your ghost, blow him along with a straw. The first person to cross the decided finish line wins spooktacularly!
-  Creep it real with a game of Halloween bowling - use toilet roll ghosts as bowling pins and a small pumpkin as the bowling ball.
-  Ghost Busters! Scatter several white ghost balloons across the garden and then bust (pop) as many as you can before the 2 minute timer runs out.
-  Float the Ghost. Pat a white ghost balloon across a circle of players - try your best to be the last person standing and not let the ghost drop.
-  Trick or Treat? Literally! Pick a card from the pile... if you get a 'trick' card, you have to do that trick, but if you pick up a treat card then you get to take a sweet from the sweet pile!

# Other
