## Joyful Note Template

Brighten someone's day with these cute little joyful notes! Leave them for strangers to find or give them to someone you love to make them smile.

Life isn't about waiting for the storm to pass. It's about learning to dance in the rain.

Print and cut me out!

Remember, you are important!

You can't have a rainbow without any rain.

Today is going to be a great day!

Everything will be okay in the end. If it's not okay, it's not the end.
