

# The Golden Ticket Debate

Congratulations! You are the lucky winner of a golden ticket and get to visit the chocolate factory. This tickets allows access to the factory for yourself and one other person. Who will you take with you?

Take it in turns to pick a card and choose a character. Each player puts forward their case as to why they believe the character they are playing as should be the one who gets to go to the chocolate factory.

You are playing as  
**Grandmother**

**Age:** 70

**Occupation:** I am a retired primary school teacher and one of my fondest memories with the children I taught was taking them on school trips to the chocolate factory. We all thought it was fascinating to see how our favourite chocolate bars were made.

**Hobbies:** I love spending time gardening, quilting and completing crosswords.

**Likes:** A cup of tea with a sweet treat (usually a box of chocolate biscuits!), garden centres and spending time with my family.

**Dislikes:** I cannot stand having to walk too far and I really don't like loud noises.

You are playing as  
**Grandfather**

**Age:** 68

**Occupation:** I am retired now but I used to work at the chocolate factory. It was an amazing job and I just loved going to work every day to taste all the different kinds of new chocolate and sweets that were being invented back in the day! Very happy memories!

**Hobbies:** I have been interested in photography for a while now and often go out for the day to take pictures with my camera. I also enjoy cooking up new recipes for my family to enjoy.

**Likes:** Time spent with my wife and the nostalgic taste of a stick of liquorice.

**Dislikes:** Bad drivers and loud noise!

You are playing as  
**Mother**

**Age:** 42

**Occupation:** I am a food technology teacher at a local high school. I was inspired to teach young people to cook from a young age when my father used to bring home chocolate from the factory he worked at.

**Hobbies:** I love amateur dramatics and have been involved in many productions over the years!

**Likes:** Baking my favourite chocolate chip cookies that have contain the most amazing popping candy from the factory.

**Dislikes:** Wool jumpers as they are just too itchy and small children (why I became a high school teacher!)
