

# Glitter by Numbers

## You will need:

- Coloured glitter
- Glue
- Card

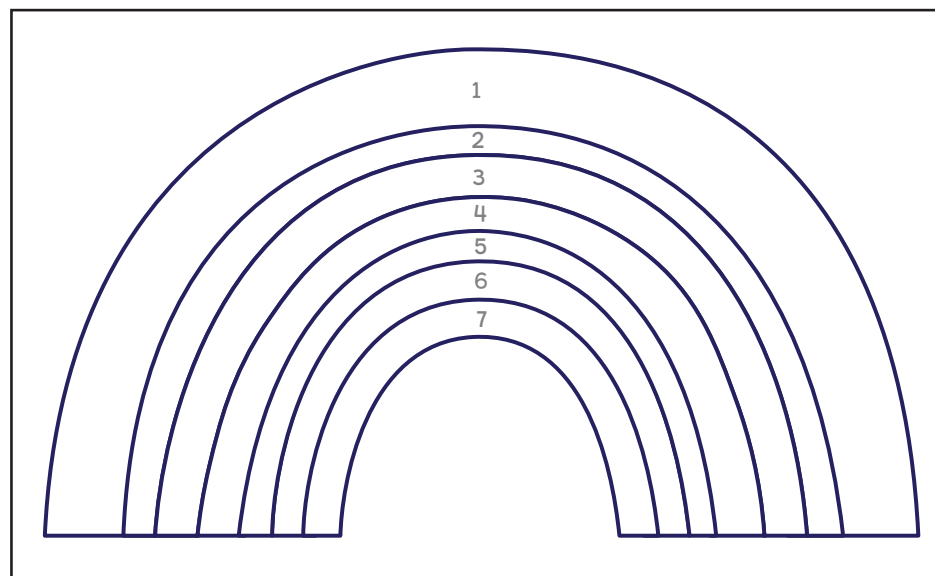

## Instructions:

1. Match the numbers to the colours from the bow on the right.
2. Start on your first colour (for example; red) and carefully put glue on all of the parts of the picture that are going to be red.
3. Pour on plenty of red glitter and tip off any excess.
4. Leave to dry completely.
5. Continue this process with the next colour until you have a beautiful glittery masterpiece that sparkles and shines!

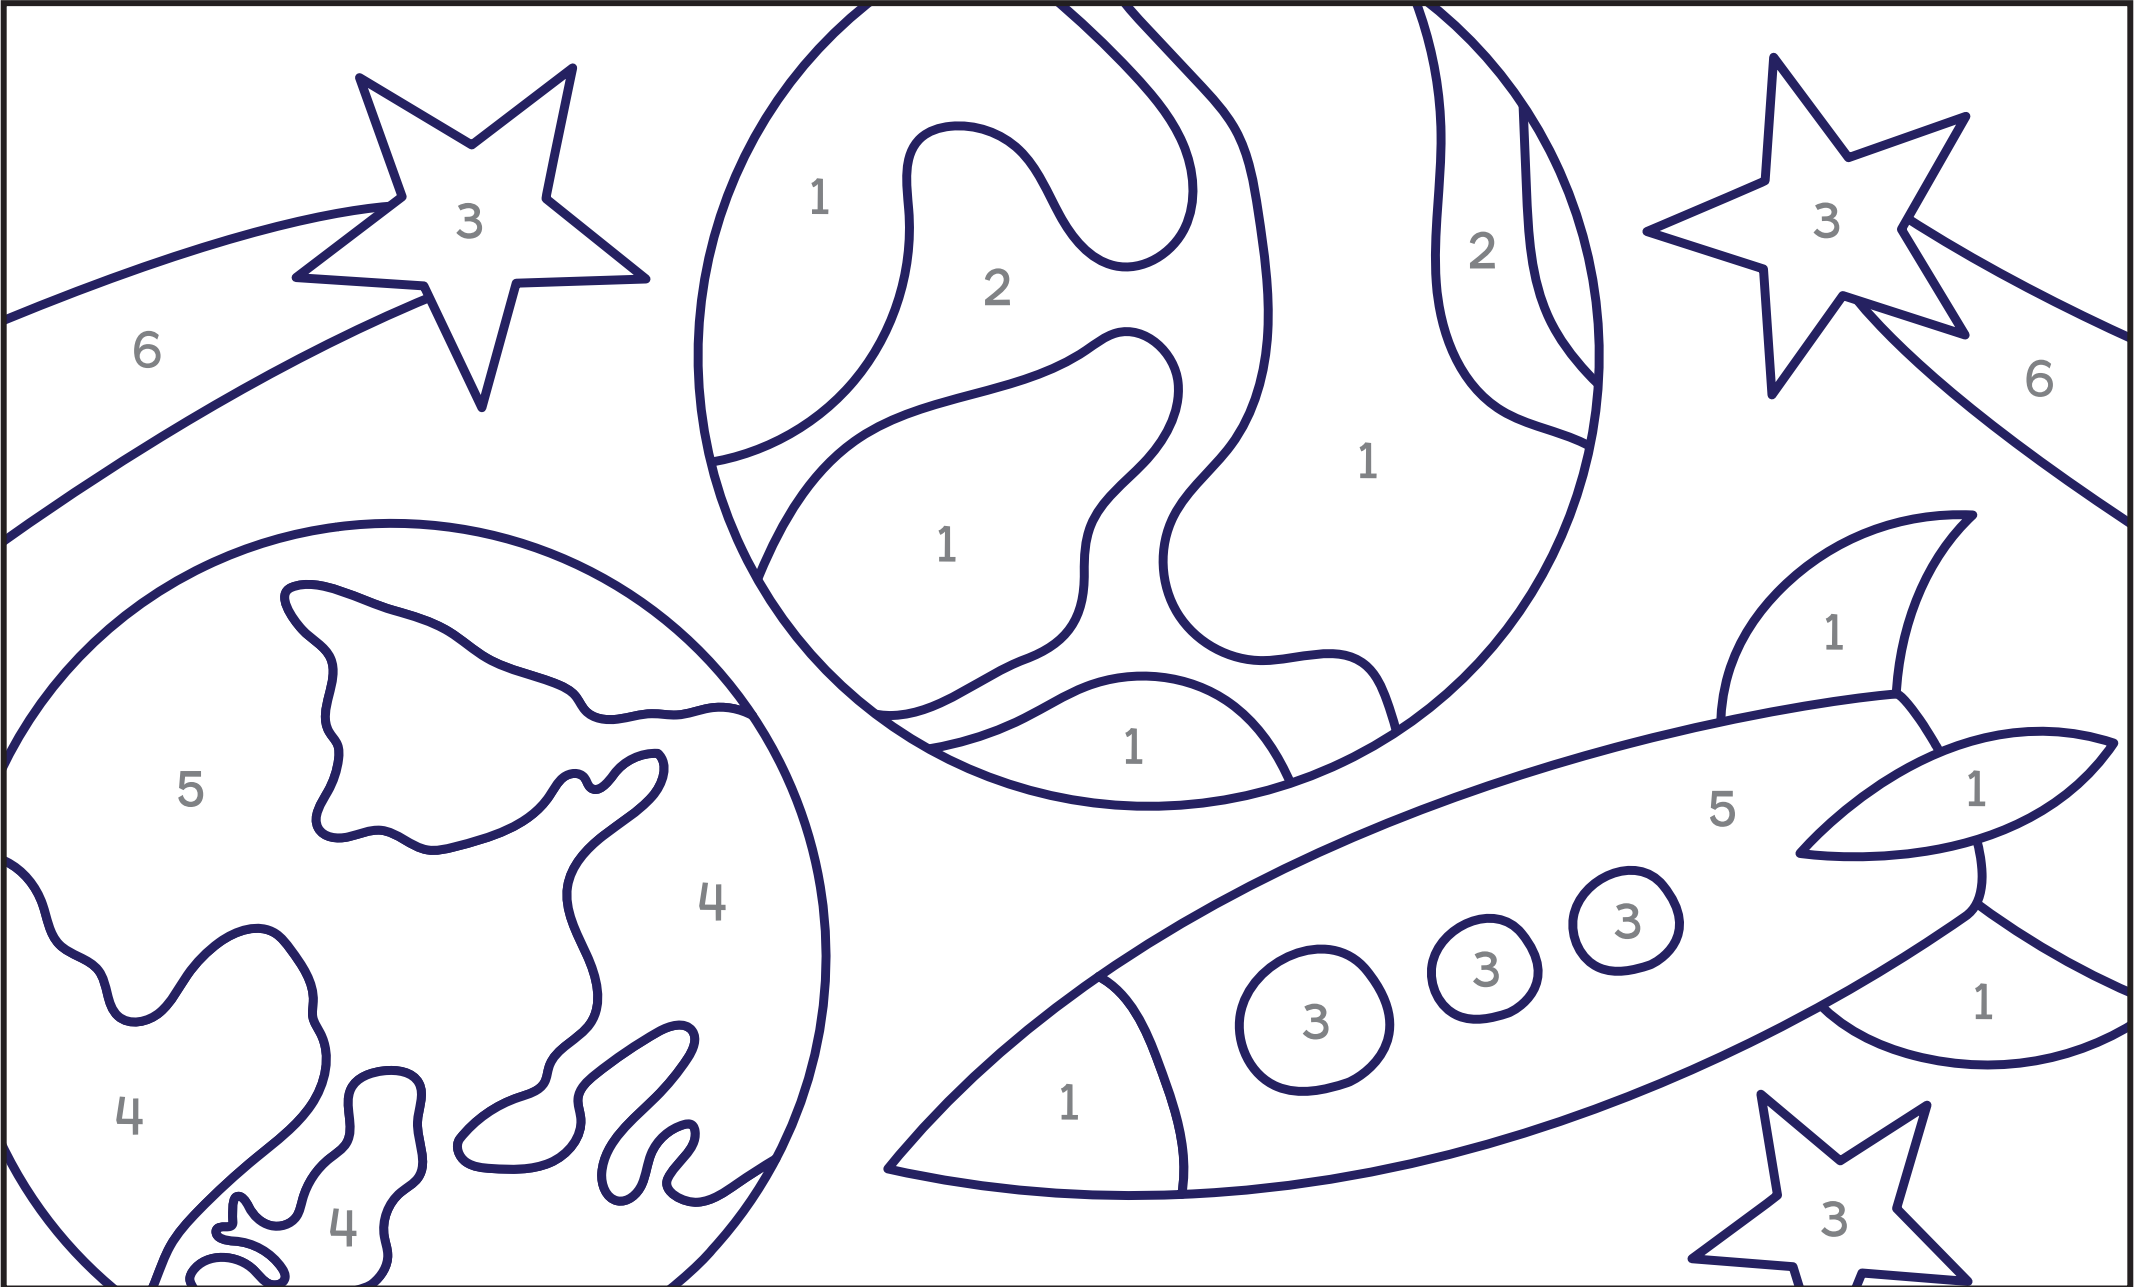

If you don't have all the glitter colours listed, make up a design that suits you.

## Key

1. Red
2. Orange
3. Yellow
4. Green
5. Blue
