Here's an Idea (or 5)!

- Why not collage patterned papers on to your birdhouse template?
- Print the template out at different percentages to make different sized birdhouses.
- Decorate round the bottom of your birdhouse with finger painted flowers.
- Go on a nature walk and gather natural materials to decorate your birdhouse.
- Pop a battery operated t-light inside your birdhouse and leave one of the sides unstuck so you can open it and turn your t-light on/off.
